1986 OWL DEDICATION

MRS. VALERIE RUTLEDGE

The Owl Staff proudly dedicates the 1986 yearbook to Ms. Valerie Copeland Rutledge, who has energetically served OHS for seven years. Besides teaching the AP English Sunrise class, Ms. Rutledge teaches Latin, sponsors the Latin Club and Varsity Cheerleaders, and serves as chairman of the English department. Although Ms. Rutledge has a very active schedule, she always takes time out for her students. Thank you, Ms. Rutledge, for your loyalty and devotion to OHS. We love You!

The National Beta Club was very active his year. We were able to contribute to both baseball and softball organizations. We also joined in the Student Council to make it possible for 20 families to have a better Christmas. A new printer for the computer class was also purchased. All these things would not have been possible if it were not for the great membership and dedication we had!

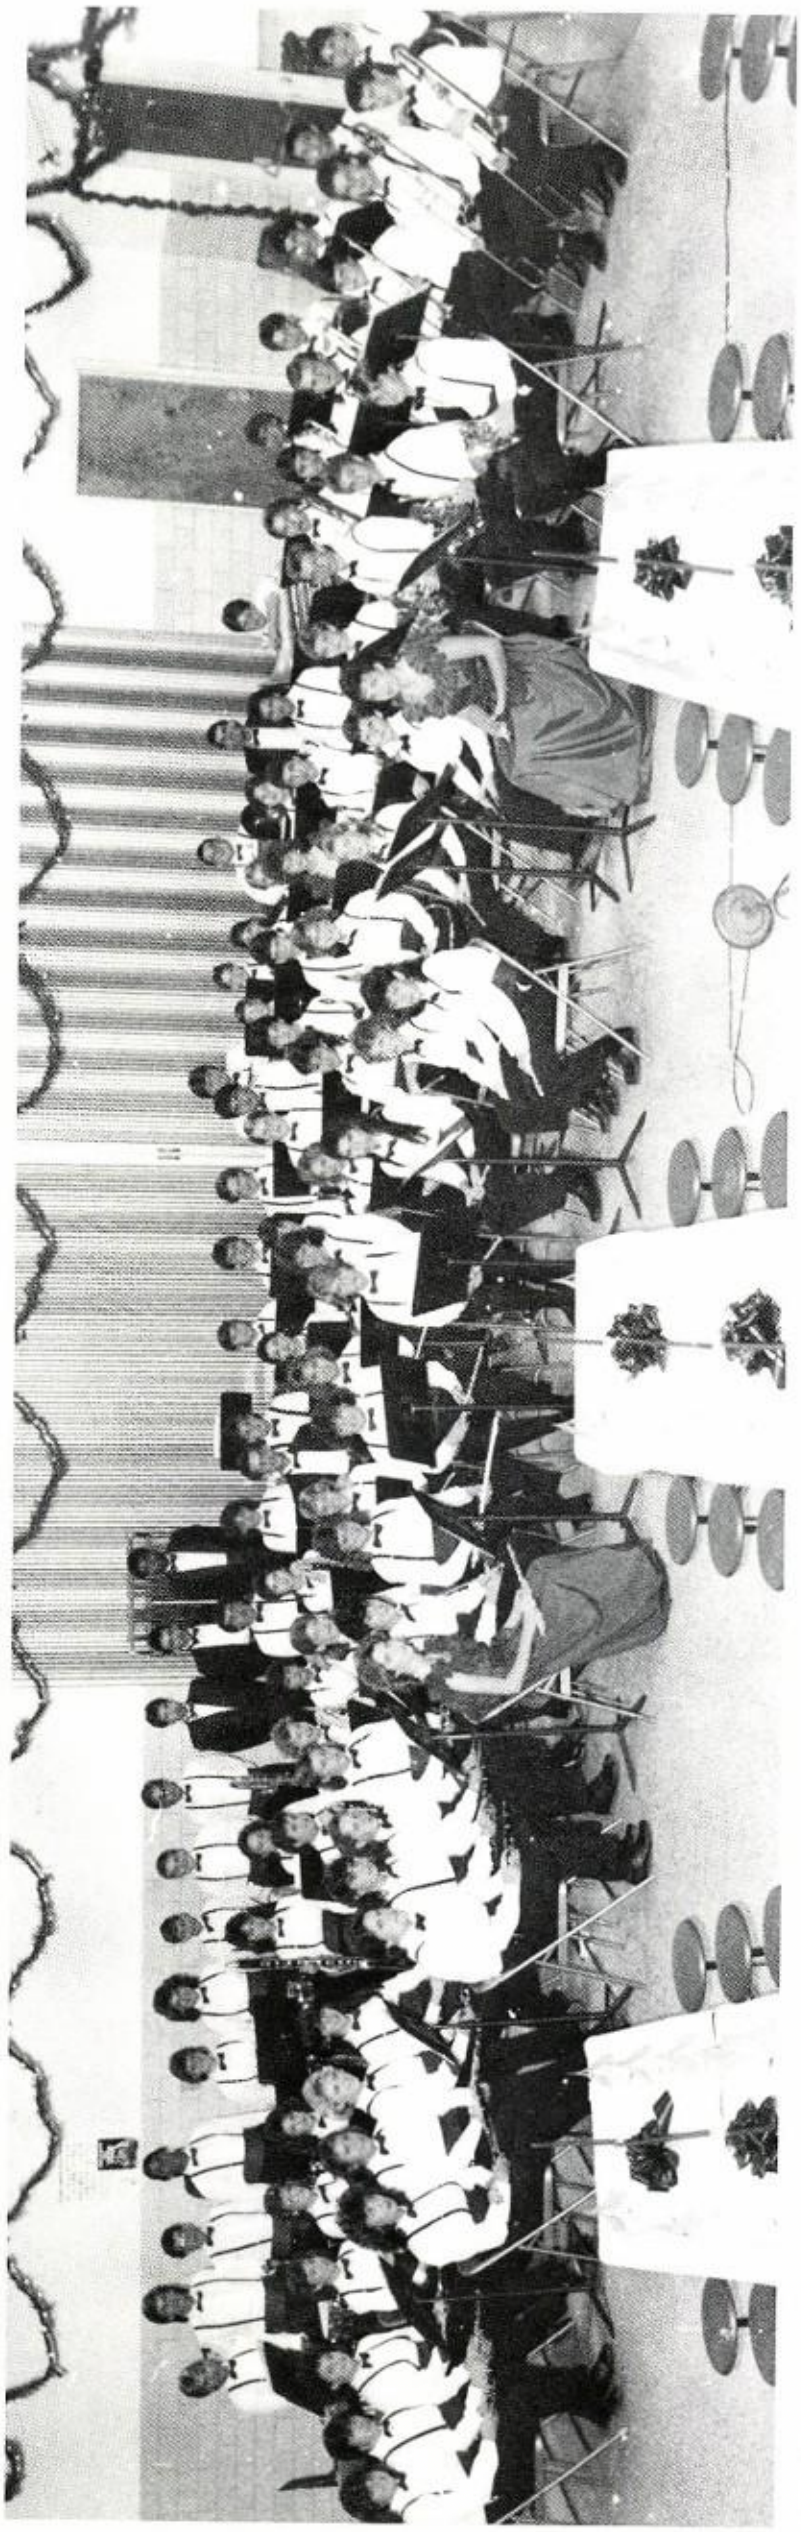
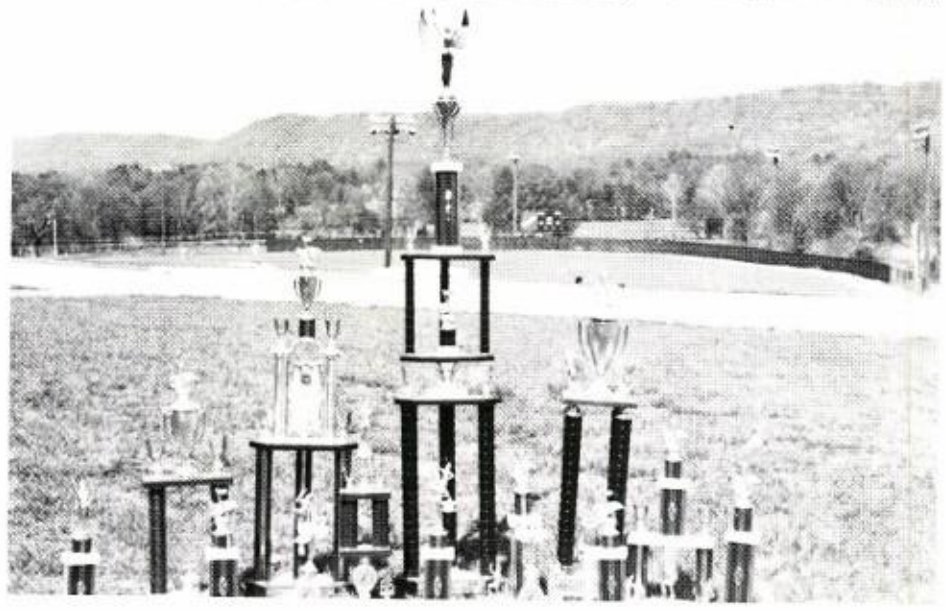
OOLTEWAH HIGH CONCERT BAND



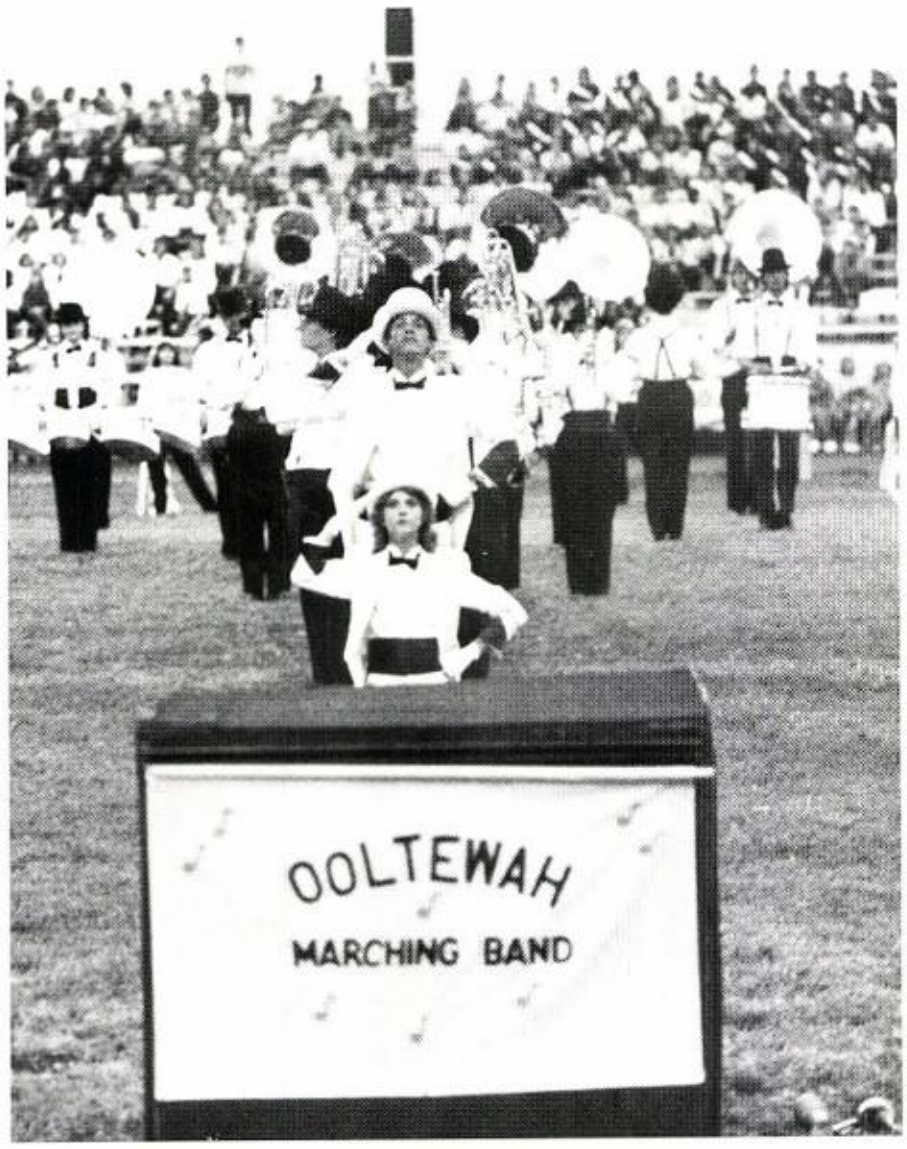
Director: Joel Denton

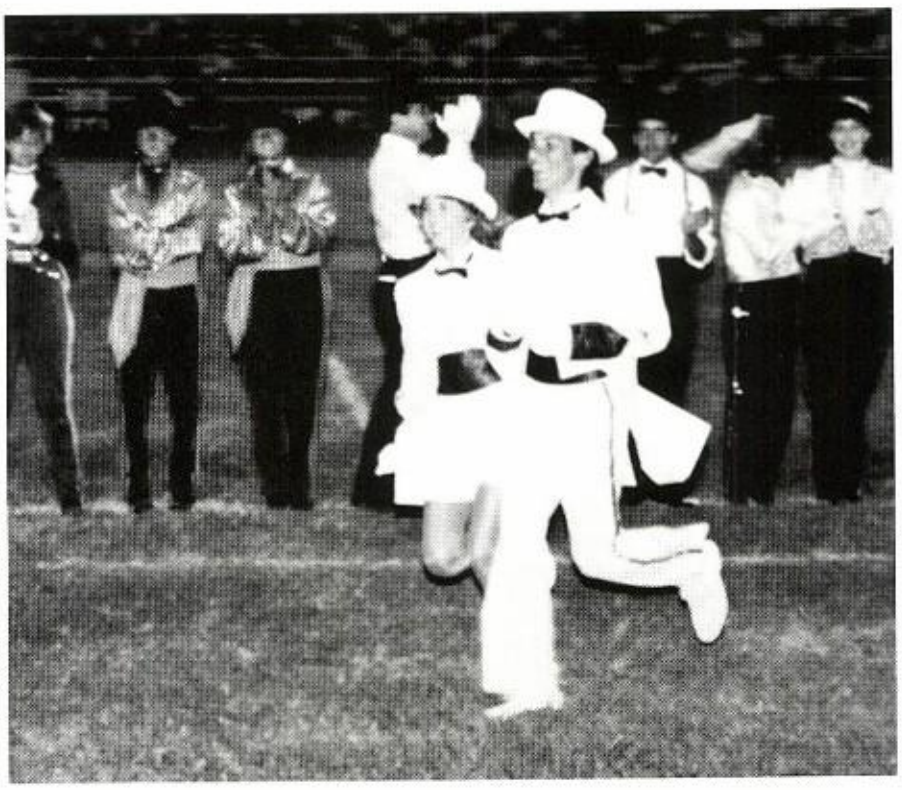
The Ooltewah High School Band had a great year in 1985-1986. Starting with a successful Band Camp; the Band marched through the fall right to the Major's Trophy! The Major's Trophy is presented to the Most Outstanding Band In Chattanooga/Hamilton County at the Tri-State Band Festival. The hard work had paid off and how sweet it was! The year continued in its successful manner with the Superior Ratings at the ETSBOA State Concert Band Festival and the Brainerd Invitational Concert Band Festival. This Band will always be remembered for all the great memories it has given us. Thanks for the memories and Good Luck in the Future.



OOLTEWAH HIGH MARCHING BAND

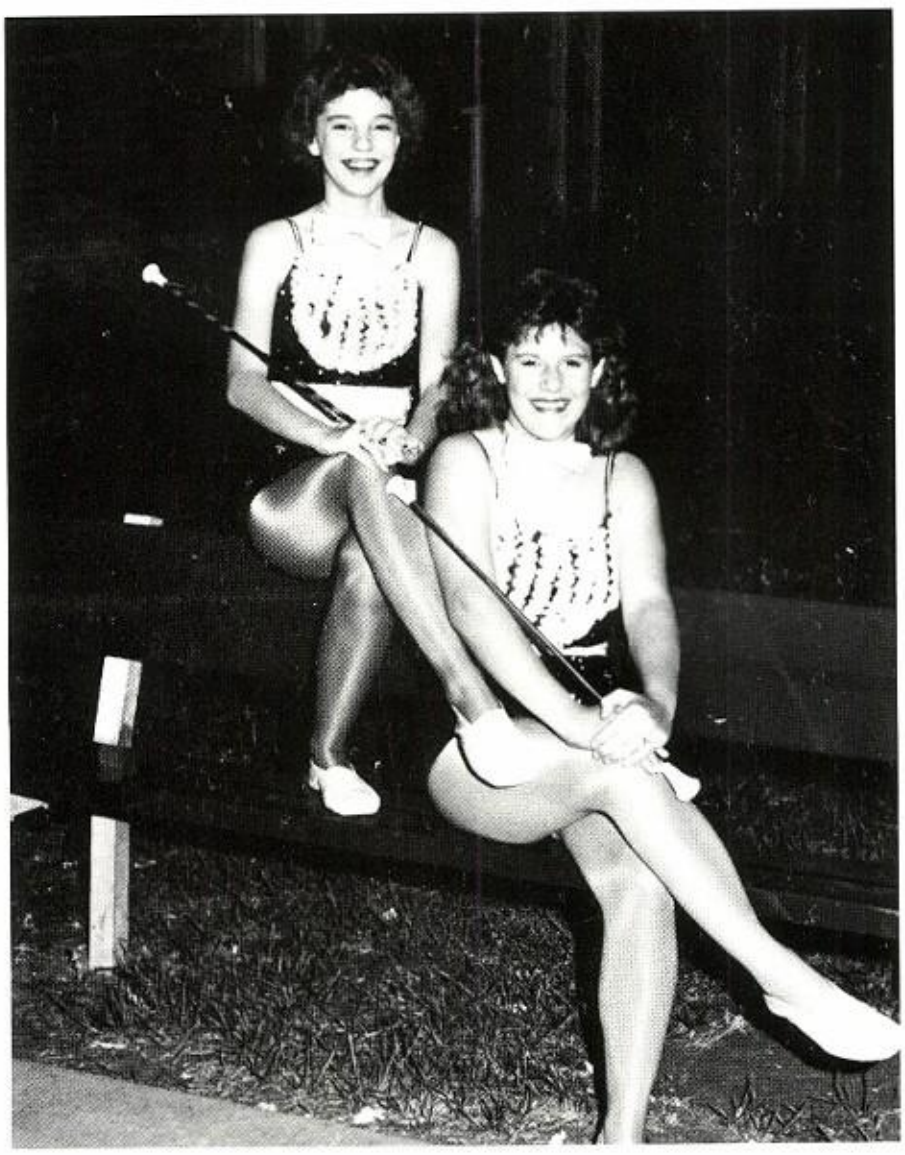
A MOMENT TO REMEMBER





Charisma Jackson and Gary Bynum continued the tradition of great Drum Majors at Ooltewah. They provided the Band with outstanding leadership and poise. As Drum Majors, Charisma and Gary had a super year receiving two Superior Ratings. This was Charisma's second year as Drum Major and it proved to be just as rewarding as the first. Her experience proved very valuable throughout the year. This was Gary's first year as Drum Major but what a year it was! Thanks, Charisma and Gary, for all the hard work and leadership you gave us!

The Ooltewah High School Majorettes proved just how outstanding they are this year, by winning Best Majorettes at two Band Contests. In the process they finished the year with straight Superior Ratings. Thanks, girls, for all your hard work and your contributions to our Band!



COLOR

The Ooltewah High School Colorguard is an important part of our great Band. They provided their audiences with impressive and exciting routines this year. Their excitement led to them receiving Superior Ratings at all the Band Contests. Thanks to the O.H.S. Colorguard for their contributions to our Band. Their hard work really paid off!

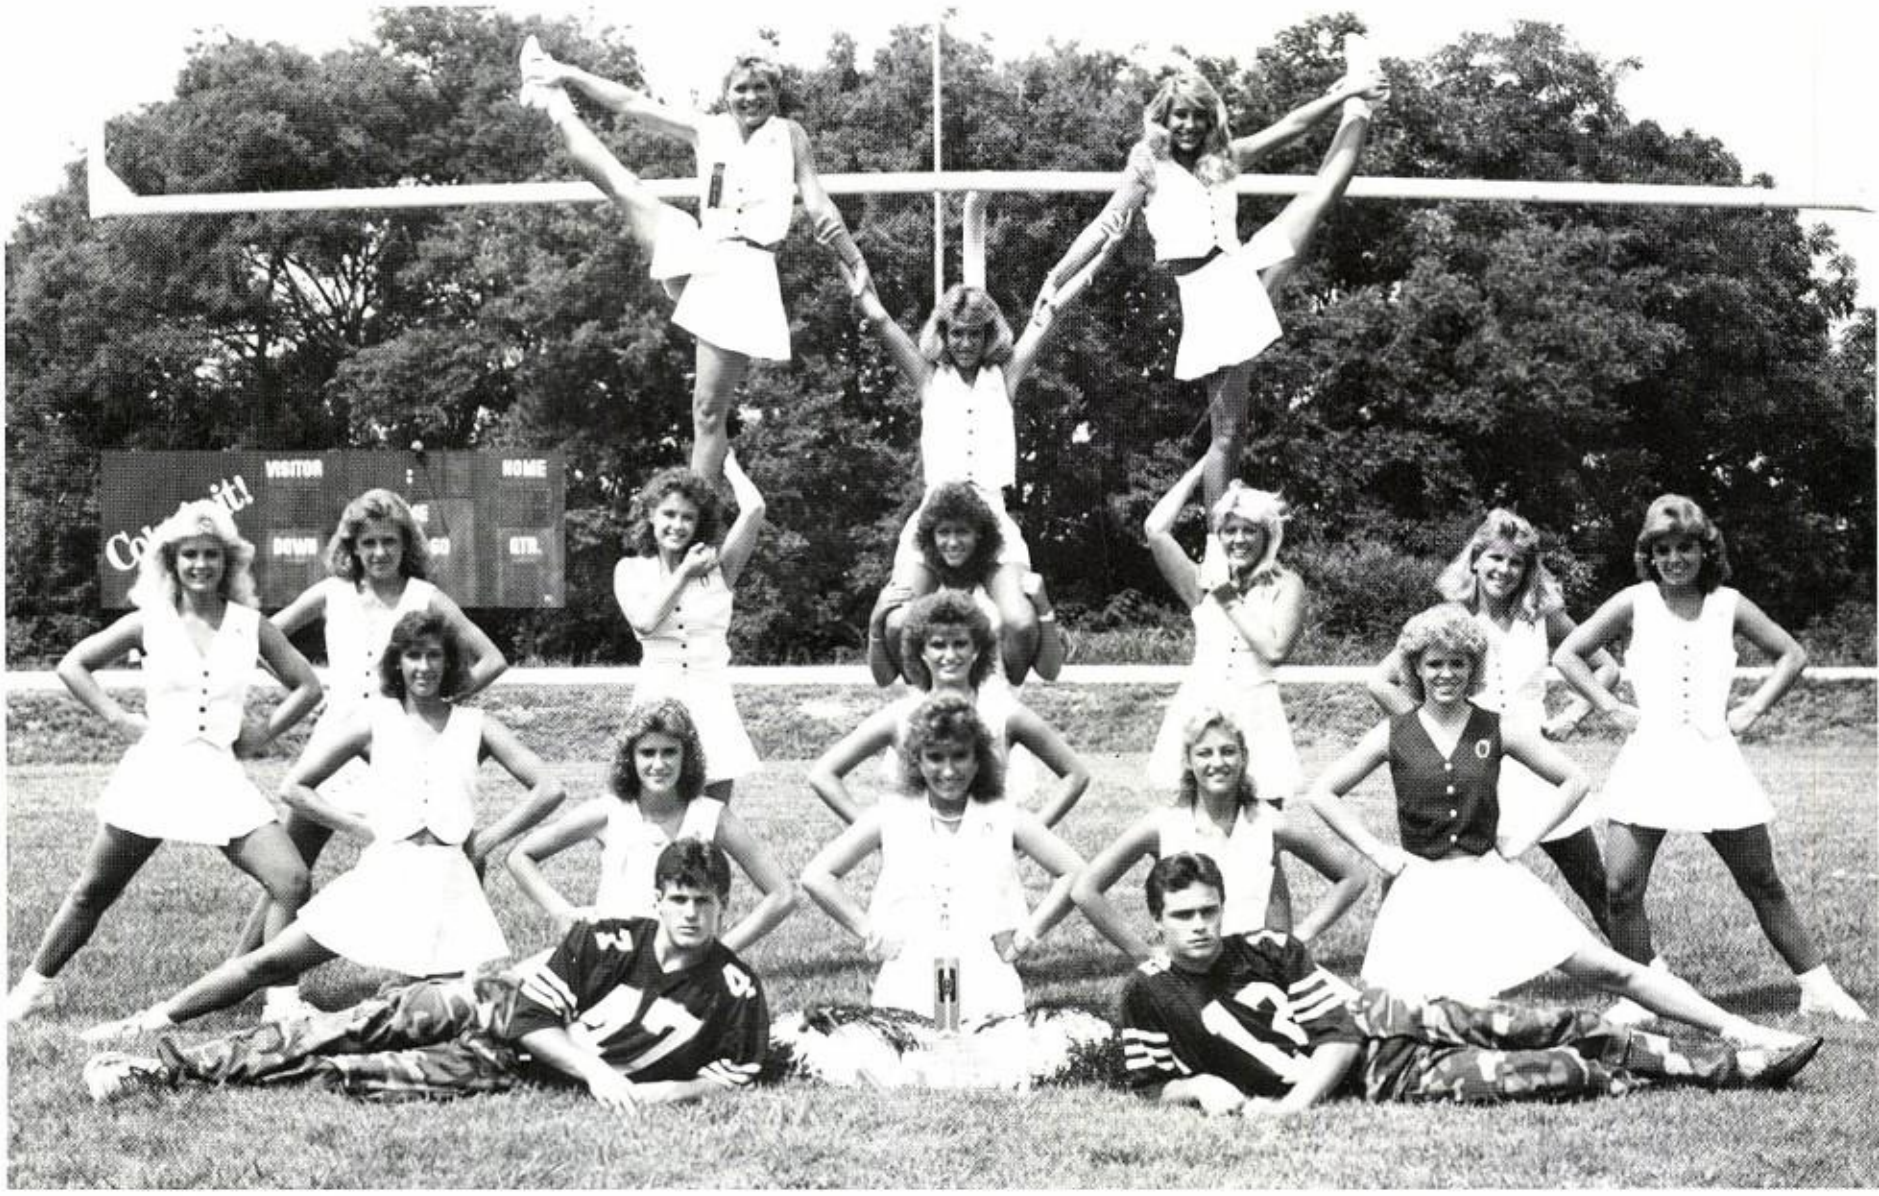
OMS the best!



This year's outstanding Varsity Cheerleading squad brought much recognition and honor to OHS and the community itself through their many accomplishments. The girls attended two camps during the summer, one of which was the University of the South at Sewanee, Tenn. There, the girls won five blue ribbons, a gold superstar ribbon, a spirit stick and won the Award of Excellence which qualified them for the NCA Championships in Orlando, Fla. The girls also attended the UCA camp at UTC, there; they won seven blue ribbons, a spirit stick, qualified for UCA Regionals at Auburn, and they were chosen as District Champions.

Throughout the year, the girls attended various competitions, the first of which was the Tennessee Valley Fair Competition in Knoxville. There, they received Third Place Overall. The next competition the girls attended was the 1985 Eastgate Cheerleading Competition, there, they received first place in chant, third in Pom-Poms, and won Second Place Overall. The CACC Competition held at Central High School was the next thing they attended. There, they received a first place trophy. The last competition these young ladies were involved in was the ICF Competition. There, they were chosen as District Champions, and qualified for the ICF Nationals in Nashville.

The thing that these young ladies should be most recognized for is the NCA Nationals that they attended in Orlando, Fla. over Christmas break. There, the girls competed against over 400 squads from around the U.S. The squad was among the top 30 in the nation in the large varsity division.

We commend and are very proud of each and every one of these young ladies for their accomplishments at competitions, as well as football and basketball games, and wrestling matches. Thanks for all of your support and spirit!

A special thanks goes to Mrs. Valerie Rutledge and Miss Debbie Troutman for all of their efforts and patience. Without them, the squad's success would not have been possible.

Many of the Freshmen have great potential for the upcoming '86 Varsity Season.

We had only 3 seniors this year and will return 7 starters including 6 sophomores and 1 junior. Our biggest thrill this year was in beating Hixson and Red Bank for the Regional Championship. We were disappointed in not making it to the state finals but are looking forward to next year.

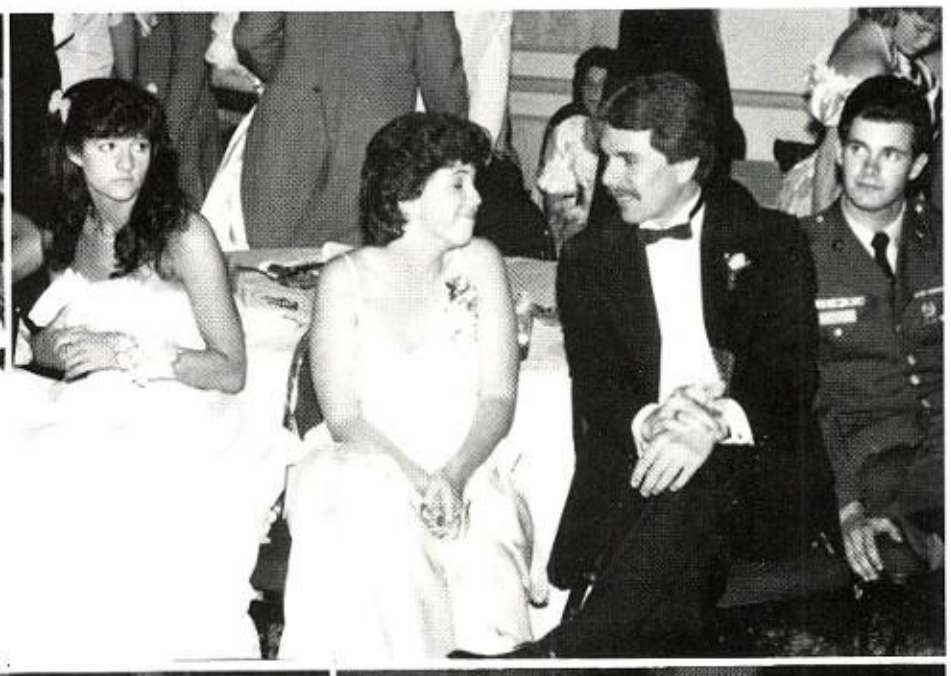
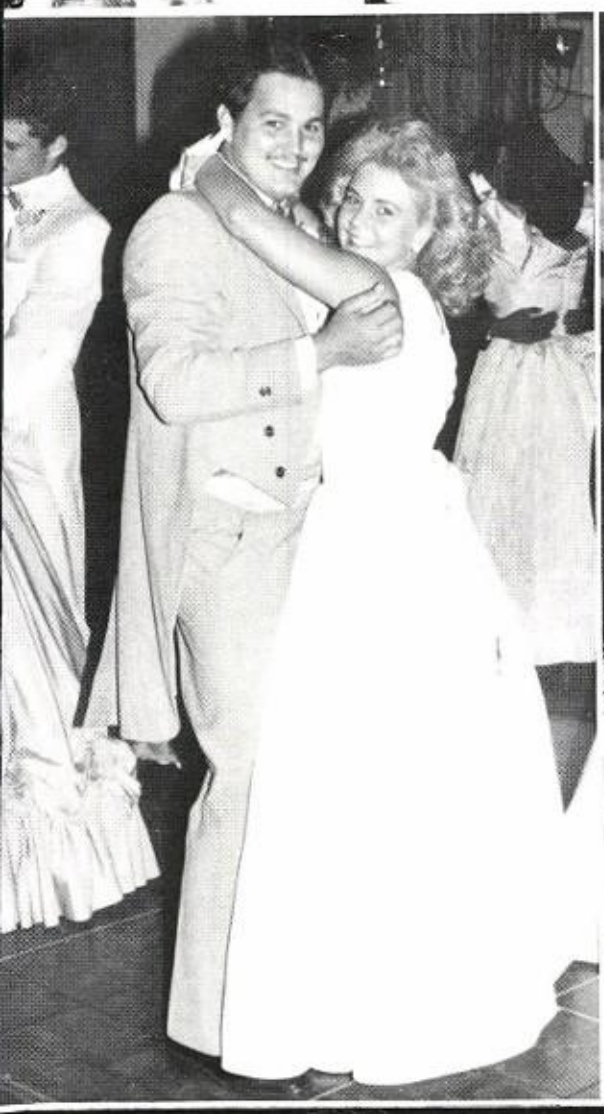
PROM NIGHT





The Junior-Senior Prom was held May 3 in the Imperial Ballroom at the Chattanooga Choo Choo. Following a scrumptuous buffet, a slide presentation of the many aspects of student life at OHS was shown while dancers enjoyed the music of Oz Records & Tapes. Kendra Carter and Parrish Mansfield were crowned Prom Queen and King. Many thanks to Prom sponsor, Ms. Lundy, and the Junior Class officers for a fantastic evening! We will always "Cherish the Night."

JAMES COUNTY

Ooltewah celebrated Tennessee Homecoming '86 in a special way during an event-packed week in May. James County Jamboree, Fun-Run, parades, receptions, alumni ballgames, and Pioneer Day were some of the activities held to bring back area residents to historical James County, which was created in January 1871 but due to bankruptcy was absorbed by Hamilton and Bradley Counties in April 1919. The highlight of the week was the moving of the Ooltewah depot to its new home on the Ooltewah High School campus where the depot will undergo renovation into the James County Museum.

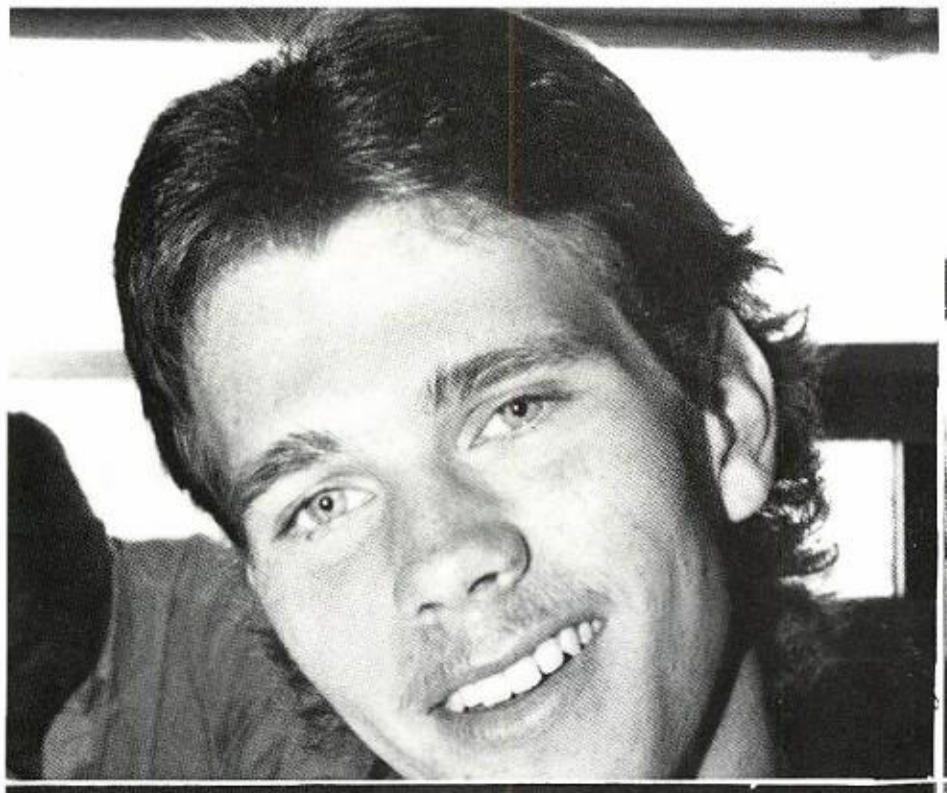
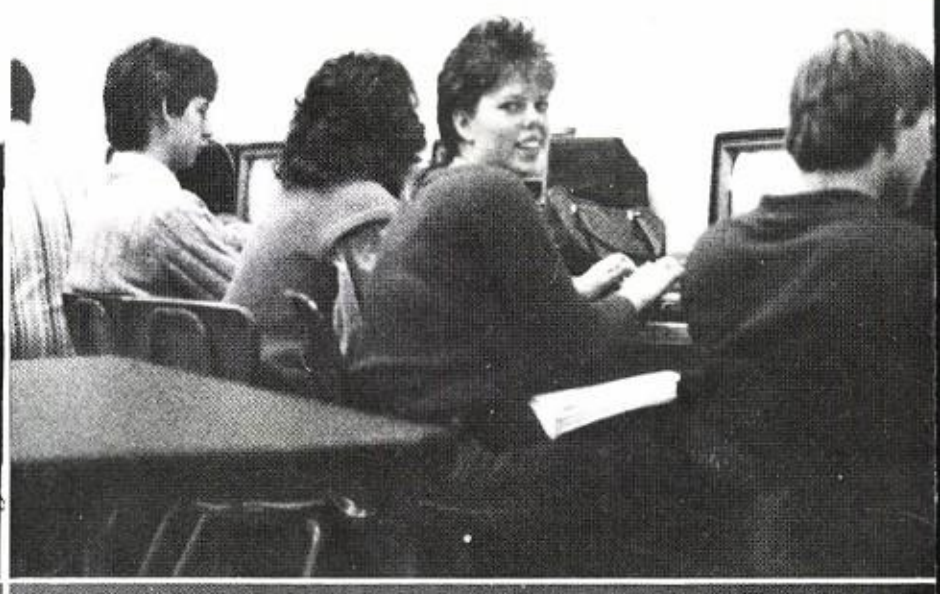
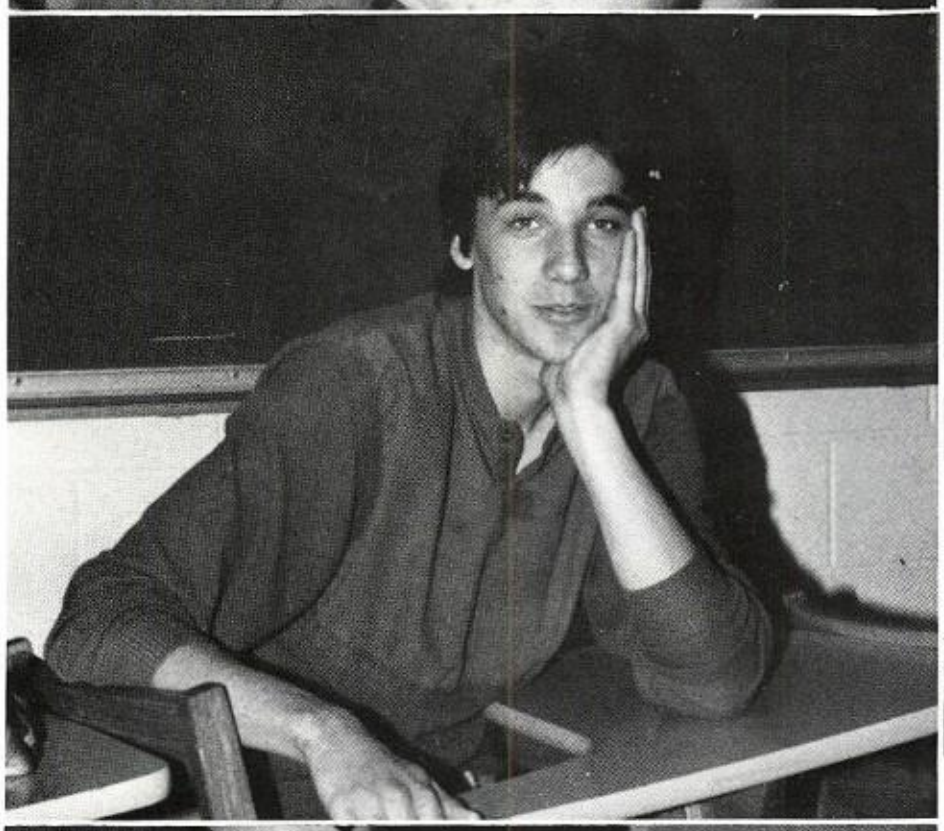
HAMILTON COUNTY

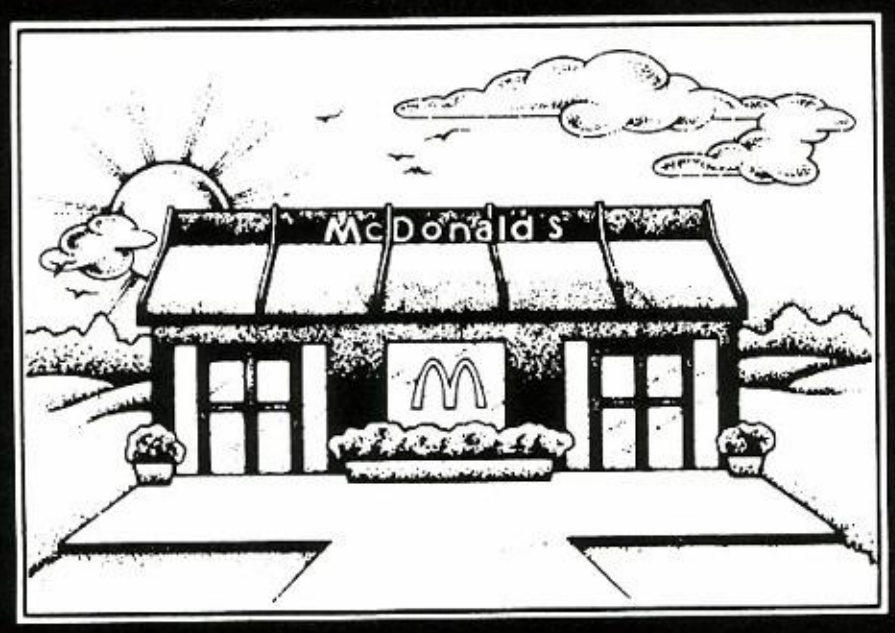






Of all the years we spent together
It almost seemed it would go on forever
The happiness and sadness we all shared
Showed just how much we really cared
The dances, games and homecoming floats
All those wishes and all those hopes
We will keep thoughts of each other in mind
Hoping we will meet again . . .
Somewhere in Time.

The Student Center.



Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats. You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...

ISN'T LIKE INSTANT SOUP

You can't just add water and stir. It requires time, commitment, sacrifice, and plain hard work. And goals, especially goals. People like you can make a difference with the right goals and real commitment. Companies like McKee Baking Company look for people who have the desire and ability to grow. Who knows? After that, the soup's on!
